## HAPPY HOLIDAYS EDITION

[www.rockislandia.gov](http://www.rockislandia.gov)

2023 is winding down and it is time to look forward to 2024. Winter is here and soon City staff and snowplows will be working hard to keep the streets passable for all residents, police, fire, and ambulances.

**THE CITY MUNICIPAL CODE STATES:**  
12.08.010 Parking on city streets. Except as otherwise provided herein, it shall be unlawful to park, store, or otherwise leave vehicles on any portions of streets within city limits during the "snow removal season" which is defined to be between November 1st, and March 1st of the following year. The term "vehicle" as used in this chapter shall mean and include: automobiles, trucks, motorcycles, house trailers, watercraft, boats, boat trailers, horse trailers, other trailers and any other wheeled object. (Ord. 08-098 § 1).

Please be mindful of parking on the street and moving your vehicle every 24 hours to allow snow plows to optimize street cleaning.

The City tries to plow the sidewalks as well but cannot always clear them in a timely manner. Remember that homeowners are ultimately responsible for keeping the sidewalk in front of their property clear during snow events.

**WARNING NOTICE**  
**WINTER PARKING REGULATIONS ARE IN EFFECT**  
If you are receiving this notice, you have been observed in violation of the City of Rock Island's winter parking regulations.
